Food Safety Policy

Kris Flexipacks Pvt. Ltd. is committed to produce and supply safe and hygienic Flexible Packaging Material which conforms to the statutory and regulatory requirements applicable to the food chain by creating HACCP, VACCP, TACCP & implementing FSSC 22000 Version 5 as well as meeting mutually agreed requirements and specifications of our customers.

Our commitment to food safety is practiced by:

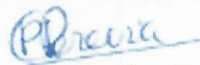

Monitoring, up gradation and review of HACCP, VACCP, TACCP, all policies and aspects concerning Food Safety at periodic intervals to determine compliance of the same to the documented objectives. This includes the reassessment of the suitability and adequacy of the Food Safety Policy to meet the evolving requirements of our customers as well as regulatory laws and consequent communication of the modifications to all members of our organization.

Building a food safety capability mindset culture through structured programs that develop employees' competencies and technical skills, increase awareness, manage risk and drive increasing levels of excellence across the organization.

Setting up measurable food safety objectives for all operations and at group level, to ensure continuous improvement and compliance with all standards & reviewed periodically for the continual suitability of the organization based on the risk assessment aligned with the context and provide a Food Safety Management element.

Communicating the Food Safety Policy within the organization by display in Plant & to the associates, consumers, customers and principal stakeholders through website.

Mr. Peter Pereira
